LOCAL DEPARTMENT.

THE 43RD REGIMENT.-We are informed that the 43rd regiment only lack one bundred men of being full. They expect to fill up this week. The boys look remarkably well in their new clothes.

A rumor reached this city vesterday that there was fighting going an at Hopkins ville Ky., on Priday or Saturday, and that troops were being rapidly thrown forward to that point. We doubt the truth of the rumor, as we have had no news from that direction, yet it may be correct, as the thirty first and other regiments were expected to move in that direction last week. ----

CONCERT FOR THE VOLUNTEERS .- We have received the programme of a Concert to be given at Paris, Illinois, on Friday evening next, for the benefit of the families of volunteers, in connection with which we find the names of some of the best musical talent in Eastern Illinios, such as Miss Nelson, Miss Alexander, Mrs. Maguer, Mrs. Rives, Miss Rives, Miss La Foe and Miss Crawford-Messrs. MILITARY ITEMS -The Louisville Dame crat says;

We understand that the 36th Indiana regiment has taken quarters on Jesse D. Bright's tarm near Jeffersonville. It makes an excellent camp ground for the loyal soldiers who have responded to their country's call -It the traitor is heart and soul with the enemy, it is no re-son why his grounds should not contribute to the cause of the Governme t and the country. We only wish the traitor was mustered into the ranks and made to "keep step" to the music of the Union.

We understand, says the Fort Wavne Sentinei. that there are several parts of companies in different portions of the district, which it is expected will be induced to join the regiment and at once fill it up to the requisite comp'ement. The un orms will be here in s few days and the regiment will probably be ordered off to the field as soon as ready.
